JOHN DEERE

Service Manager

PrairieCoast Equipment, a John Deere Dealership with 9 locations, requires a Service Manager at our Kamloops branch.

Highlights:

- Employee owned company
- Awarded Canada's Best Managed Companies 2013, 2014, 2015 and 2016
- Precision Ag Technology
- Opportunity to grow the business
- Excellent Compensation and benefit package
- A state of the art facility in Kamloops, with a newly expanded shop

The Role:

A desire to provide excellent customer service, and leadership to the Service Department team, make you an excellent candidate. In this role, you will put forward ideas that will lead to profitable growth and a competitive advantage in the industry. You will coach your team and create a culture of career development meant to guide our people to grow within the company.

Requirements:

- 3+ years' experience in Service Department operations
- 3 years' experience in a Supervisor or Manager role
- Strong motivational and leadership skills
- Ability to use standard desktop load applications such as Microsoft Office and internet functions
- Familiar with John Deere and competitive products
- Understanding of financial principles relative to Service Department operations
- Ability to analyze and interpret internal reports
- Valid Driver's License with an acceptable record

We welcome all applications. We will contact those selected for an interview.
